East Donyland Parish Council

What are we doing?

- The Parish Council has given permission for a Recycling bin (bagged clothing and shoes only please) to be put in place in the Recreation Ground Car Park. This will be raising funds for Essex & Hert Air Ambulance Service.
- The Council elections are coming up in May, if you are interested in becoming a Parish Councillor, email, phone or pop into the office and have a chat with the Clerk.
- Have you noticed the bins? On the recreation ground the bins have been refurbished and they look very smart!
- The Footpaths have been cut back by ECC, however if you do notice a missed path or they are growing out of control pop in and tell the office. We are looking for volunteers to help keep on top of little jobs like this, so if you are handy with your snippers, let us know.
- Work has started on the new development road, we will keep you updated with news as we get it.

[Another Successful Seafood Picnic](#)

This year on Lion Quay the RHT played host to another wonderful seafood picnic enjoyed by many residents and friends. The sun shone as 'William' came up the river delivering seafood platters and oysters. With live music, poetry and song by the very talented 'Sing Say & Play' group it was an enjoyable day for all who attended.

Planning an Event on Parish land?

The Council wish to support all village organisations and association who hold events that benefit the community but we must have a written application and details of how risk, rubbish and parking is going to be managed at least 4-6 wks in advance. The Clerk will then respond with further questions or confirmation that the event can go ahead. Please help us to help you. We need to conform to certain processes in order to adhere to the conditions of our insurance—there can be no exceptions. The Event Application Form is available on our website or from the Parish Clerk.

No written confirmation = No Event

If you have anything to go on our recycling web-page please let us know; we currently have a large retired church pipe organ going free to a good home!
