What's happening around the village?

- EDPC won the Community Action Day! Friday Oct 7th, if you have some spare time to help with various projects, please keep that day free. Details to follow.
- Congratulations to Rowhedge Social Club for being awarded £120,000 from Section 106.
- Please Welcome our newest Councillor Anna Appleyard!
- The Battleswick Consultation for CBC Local Plan continues, the deadline has been extended to the 16th September to give your view.
- "The Footpath Partnership" has been set up, if you are interested in helping us look after our footpaths, please get in touch.
- Well Done to all our emergency plan volunteers, our emergency plan was tested in June and it was very successful!
- We have a new Zone team from CBC, please welcome team leader, Lee Copping & team member Zoe Frost who help us

The Council met with a representative from Brightlingsea Harbourmaster to discuss, pontoon inspections, jetski's, quay wear & tear and moorings. We hope to bring you more news as we work hard to maintain the front of Rowhedge for your continued pleasure.

As the school holidays are now here, it is more important than ever than dog owners and walkers pick up after their dogs. It has been on a steady increase in the last couple of months especially along the path leading from Marsh Crescent up the tow path to the Hythe and on the path leading to the burial ground. You are allowed to put dog poo in the normal bins if there isn't dog bin in the vicinity, so there is no excuse. It's horrible for people to see or tread in and lets not forget how toxic it is.

Walking Football will be returning in September after the summer break. Calling all over 60's—if you are interested they would be delighted for you to join. You will be playing on the Muuga (which has been freshly marked out) on the recreation ground on Tuesday evenings. The area is floodlit for when the evenings draw in.

With heavy hearts we bid farewell to Myles Paton—he has resigned from Rowhedge Football Club after many years dedicated service. We know you will all join us in wishing him the best of luck in all his future endeavours. We hope the village gives the club their continued support & good luck to Myles' replacement.

Be vigilant; ornaments and milk deliveries are being stolen from peoples front gardens, be careful and if you have been a victim of theft please report it to the police.

Cllr John Rowland will be planting out grasses in September up in Heath Road, if you can help with this task, please get in touch.
