## What's happening around the village?

- A warm welcome to our newest Councillor Jamie Gledhill. We hope you enjoy being part of a great team.
- A huge Thank You to resident Graham Oakley for refurbishing the boat at Shipyard Corner, a great addition to the tidied up area. Ready to be clambored on and played in.
- There is now guttering & a water butt on the burial ground shelter after an excellent suggestion from a resident. This should help with anyone wishing to water flowers/plants they have on display.
- Soon the bus shelters will be having seats installed—so look out for those as you travel.
- Dog poo bag dispensers! The new dispensers are refilled whenever we hear of them running out. We have used over 1500 this year alone so far. Very popular!!
- Local News & events are all available on our website [www.eastdonylandpc.co.uk](http://www.eastdonylandpc.co.uk)
