A message from St Lawrence School. Every week, children at St Lawrence Primary School enjoy a half day at Forest School – located in a woodland clearing close to the moorings on the river. The site is easy to distinguish, with homemade swings, a 'fire' circle made up of log seating, and – on a special day if you look closely enough, an occasional fairy door.

This fantastic Forest School relies heavily on our dedicated staff and volunteers, as well as our lovely community who keep an eye on the area – picking up rubbish, respecting, and enjoying the site with their children over the weekend. There have unfortunately been a few occasions where the site hasn't been respected, with lots of litter being left behind and items being broken and burnt. Most worryingly, people have been lighting open fires – which, especially in this heat, is incredibly dangerous.

We would really love for those with children, grandchildren, and friends who use the area; to ask them to help us keep our Forest School a safe and fun space for our children. We are so grateful for the community's continued support. Thank you.

Send us an email if you would like to join our mailing list for the Friday Catch Up!
